

# **The Philippine Environment Partnership Program (PEPP):**

**Recognizing Industries with Superior  
Environmental Performance**

**November 2012**

# The Philippine Environment Partnership Program [PEPP]

The PEPP, pursuant to DENR Administrative Order 2003-14 is a DENR partnership program with industries, in cooperation with the other environment-related agencies, aimed to support industry self-regulation towards improved environmental performance.

## Objectives

1. To promote mandatory self-monitoring and compliance with environmental standards and to encourage voluntary self-regulation.
2. To provide incentives and package of assistance to establishments particularly SMEs to achieve pollution prevention and cleaner production process.
3. To build or enhance the capability of establishments and/or their associations on self-regulation.
4. To strengthen the capability of the DENR-EMB and other Environmental Agencies in implementing the PEPP towards self regulation.

## PEPP “Tracks”

There are two tracks or classification of companies under the PEPP. These are:

**TRACK 1.** Companies going beyond compliance and are driven by competitiveness, image and supply chain requirements to improve performance (i.e., large companies)

**TRACK 2.** Companies that are currently unable to comply with regulations, and are driven by survival needs (mostly Small and Medium Enterprises)

### How to qualify for “Track 1”

Track 1 industries are large companies that go beyond compliance and are driven by competitiveness, image and supply chain requirements to improve performance.

### Criteria

1. No case(s) filed with the PAB for 3 years prior to the date of application
2. Full compliance with all applicable environmental laws, rules and regulations.
3. Proven record of superior environmental performance

### Regulatory Privileges

1. Relaxation of reportorial requirements (Frequency of submission, Consolidation)
2. Simplified requirements for securing ECC for an expansion project
3. High profile recognition award with DENR Official Seal of Approval

# PEPP Track 1 Companies

Since 2009, 39 companies have been awarded with the DENR Seal of approval. This year, 18 industries were recognized for qualifying under the program's Track 1 classification. These are:

## **COCA-COLA BOTTLERS PHILIPPINES, INC. PANGASINAN PLANT (Region 1)**

**Nature of Business:** Beverage Manufacturing Industry

**Site Address:** Calasiao, Pangasinan

### **Environmental Programs/Practices:**

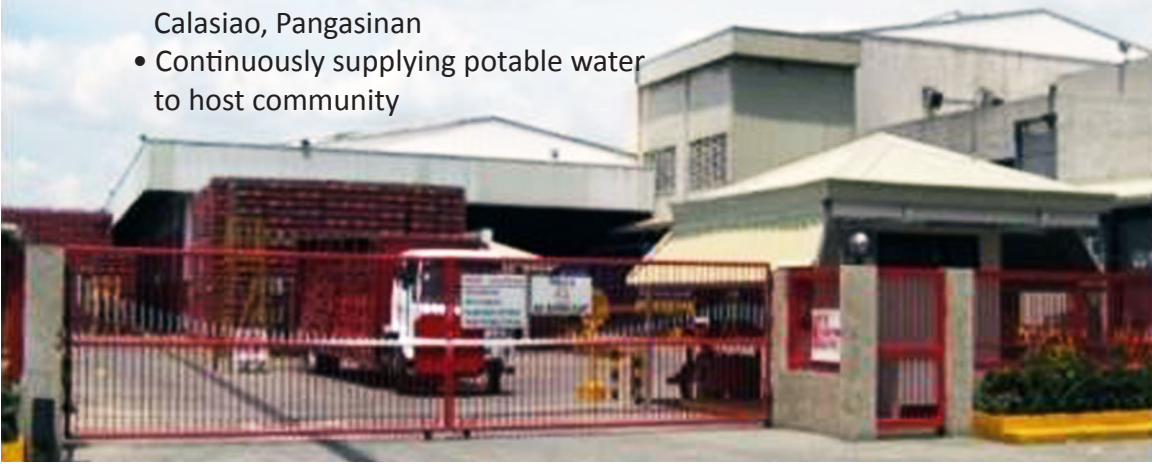

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program

### **Awards/Recognitions/Certification:**

- Good Manufacturing Process
- HACCP Codex Alimentarius
- OSHAS 18001:2007
- ISO 14001:2004
- ISO 22000:2005
- ISO 9001:2008
- PAS 220:2008

### **Community Social Responsibility:**

- Yearly Brigada Eskwela, Little Red Schools in Bamban, Tarlac
- Yearly Participation to International Coastal Clean –Up
- Adopt-a-River - Parongking river
- Tree Planting at Mangantatem, Pangasinan
- Outreach Program at Brgy. Talibaew, Calasiao, Pangasinan
- Continuously supplying potable water to host community

## **COCA-COLA BOTTLERS PHILIPPINES, INC. LA UNION PLANT (Region 1)**

**Nature of Business:** Beverage Manufacturing Industry  
**Site Address:** Carlatan, La Union

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Energy Conservation Program

### **Awards/Recognitions/Certification:**

- SMILE Recognition Award (DOLE-BWC)
- Silver Safety Award
- Top 3 Quality Award – 2 consecutive quarters (DOLE-BWC)
- Water Recovery Facility
- Good Manufacturing Process
- HACCP Codex Alimentarius
- OSHAS 18001:2007
- ISO 14001:2004
- ISO 22000:2005
- ISO 9001:2008
- PAS 220:2008

### **Community Social Responsibility:**

- Participate in World Water Day
- Earth Hour Celebration

## **COCA-COLA BOTTLERS PHILIPPINES, INC. ILOCOS PLANT (Region 1)**

**Nature of Business:** Beverage Manufacturing Industry

**Site Address:** San Nicolas, Ilocos Norte

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program

### **Awards/Recognitions/Certification:**

- Certificate of recognition – for striving to attain Environmental
- Excellence given by DENR Region 1
- Good Manufacturing Process
- HACCP Codex Alimentarius
- OSHAS 18001:2007
- ISO 14001:2004
- ISO 22000:2005
- ISO 9001:2008
- PAS 220:2008

### **Community Social Responsibility:**

- Paoay Lake Tree Planting
- Brigada Eskwela
- Earth Day – Paoay Lake Clean-up
- Earth Day – Padsan River Clean-up

## **TEAM ENERGY SUAL CORPORATION** **SUAL PLANT (Region 1)**

**Nature of Business:** Power Plant Industry  
**Site Address:** Brgy. Pangascan, Sual, Pangasinan

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Air dust minimization/suppression program
- Greening Program

### **Awards/Recognitions/Certification:**

- DENR Official Seal of Approval 2010
- Likas Yaman Award for Environmental Excellence
- Certificate of Recognition from DENR Region 1
- ISO 14001:2004

### **Community Social Responsibility:**

- International Coastal Clean-Up
- Green Philippines Highway Project
- Earth Day Program
- Tree-Planting & Adopt-a-Tree Project
- Reforestation Project
- Scholarship Program

## **COCA-COLA BOTTLERS PHILIPPINES, INC.** **ILIGAN PLANT (Region 2)**

**Nature of Business:** Beverage Manufacturing Industry

**Site Address:** Guinatan, Ilagan, Isabela

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program

### **Awards/Recognitions/Certification:**

- Safety Milestone Award by DOLE-BWC
- OHSAS 18001:2009
- Silver Regional Ecowatch Rating for 2011
- ISO 14001:2009
- ISO 22000:2009
- ISO 9001:2009

### **Community Social Responsibility:**

- International Coastal Clean-up
- Brigada Eskwela
- Tree Planting Activities with Boy Scouts of the Philippines
- Donation of Plastic Drums/Trash Cans
- Adopt-a-Park Program

## **NESTLE PHILIPPINES, INC. PULILAN PLANT (Region 3)**

**Nature of Business:** Food Distribution Industry

**Site Address:** Barangay Tibag, Pulilan Bulacan

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Greening Program

### **Awards/Recognitions/Certification:**

- ISO 14001:2004
- Good Manufacturing Practice
- OSHAS 18001:2007
- ISO 22000:2005
- HACCP Codex Alimentarius

### **Community Social Responsibility:**

- Scholarship Program
- Likha Aral
- Adopt an Estero Program
- Project Wet
- Rural Development
- River/Coastal Clean-up - Bocaue River

## **HOLCIM PHILIPPINES, INC.** **NORZAGARAY PLANT (Region 3)**

**Nature of Business:** Cement Plant Industry  
**Site Address:** Barangay Matictic, Norzagaray Bulacan

### **Environmental Programs/Practices:**

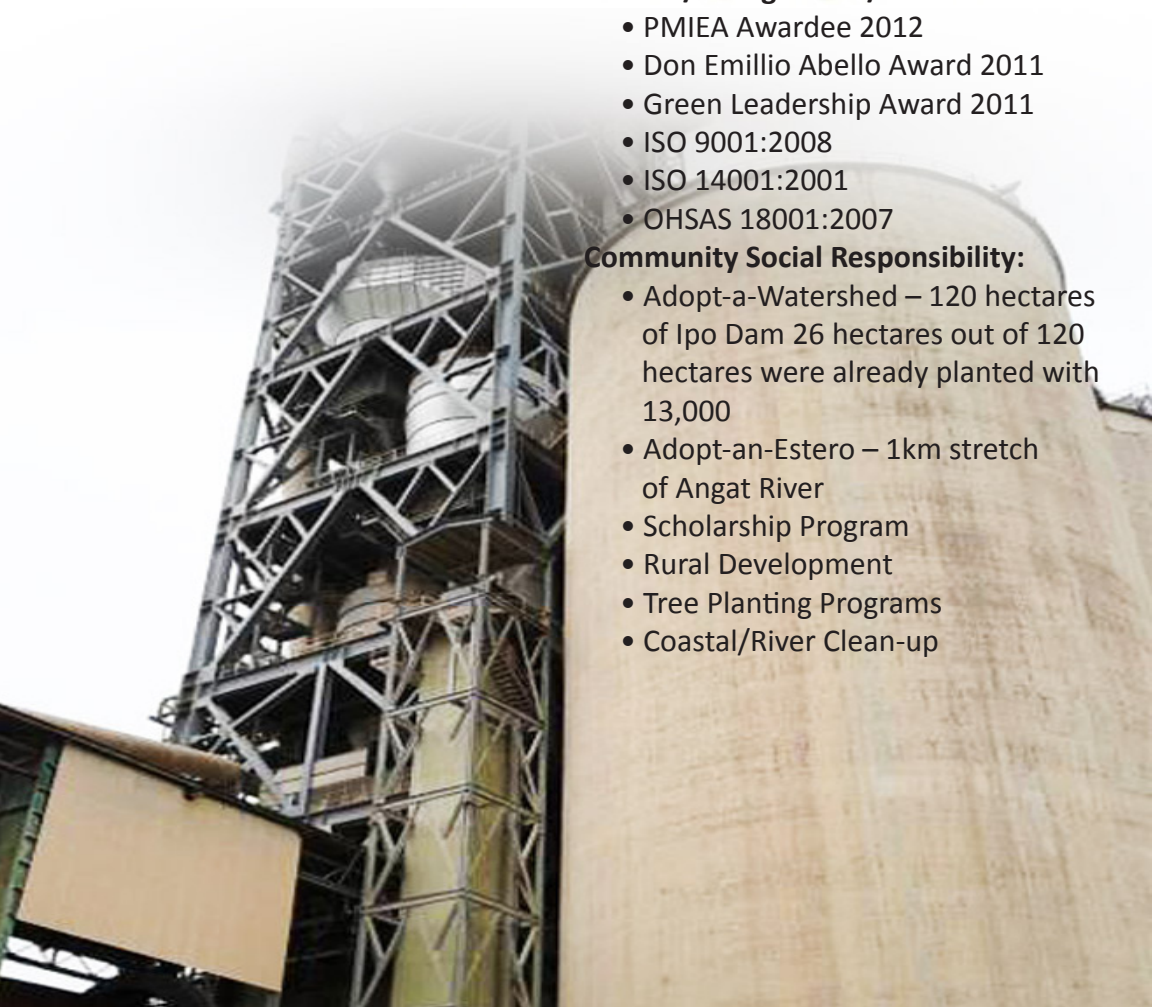

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Air dust minimization/suppression program
- Greening Program

### **Awards/Recognitions/Certification:**

- PMIEA Awardee 2012
- Don Emilio Abello Award 2011
- Green Leadership Award 2011
- ISO 9001:2008
- ISO 14001:2001
- OHSAS 18001:2007

### **Community Social Responsibility:**

- Adopt-a-Watershed – 120 hectares of Ipo Dam 26 hectares out of 120 hectares were already planted with 13,000
- Adopt-an-Estero – 1km stretch of Angat River
- Scholarship Program
- Rural Development
- Tree Planting Programs
- Coastal/River Clean-up

## **TEAM ENERGY PAGBILAO CORPORATION**

### **PAGBILAO PLANT (Region 4A)**

**Nature of Business:** Power Plant Industry

**Site Address:** Isla Grande, Brgy. Ibabang Polo, Pagbilao, Quezon

#### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Greening Program
- Air dust minimization/suppression program
- Carbon Sink Initiative

#### **Awards/Recognition/Certification:**

- DENR Official Seal of Approval 2010
- Environmental Company of the Year – Asian Power Award
- 2010 Candidate Master - Zero Basura Olympics
- ISO 14001:2004
- OHSAS 18001:2007

#### **Community Social Responsibility:**

- Scholarship Program
- Medical/Dental Program
- Livelihood Program

## **SHELL PHILIPPINES EXPLORATION B.V. BATANGAS REFINERY PLANT (Region 4A)**

**Nature of Business:** Power Plant Industry

**Site Address:** Tabangao, Batangas City

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Greening Program

### **Awards/Recognitions/Certification:**

- ISO 14001:2004

### **Community Social Responsibility:**

- Marine Biodiversity Conservation
- Livelihood and Enterprise Development
- Skills Training and Employment Generation
- Community-Based Waste and Environment Management
- Community Safety
- Education - Donates Php2 Million to flood relief effort

## **PHILIPPINE ASSOCIATED SMELTING AND REFINING CORPORATION [PASAR] (Region 8)**

**Nature of Business:** Copper Smelting and Refining Industry  
**Site Address:** Leyte Industrial Development Estate, Isabel, Leyte

### **Awards/Recognition/Certification:**

- DENR Official Seal of Approval 2011
- PEZA Outstanding Environmental Performers Award
- ISO 14001:2009 - TUV
- OHSAS 18001:2007 -TUV
- ISO 9001:2008 - TUV
- ISO/IEC 17025:2005 – Laboratory Certification

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Energy Conservation Program
- Water Conservation Program
- Air dust minimization/suppression program
- Greening Program

### **Community Social Responsibility Programs:**

- Adopt an Estero Program
- Tree Planting Activities
- Scholarship Programs
- Class Room Construction for Public Schools
- Establishment of MRFs for LGUs

## **EDC - GREEN CORE GEOTHERMAL, INC. (Region 8)**

**Nature of Business:** Geothermal Power Plant

**Site Address:** Lim-ao, Kananga, Leyte

### **Awards/Recognition/Certification:**

- DENR Official Seal of Approval 2011
- PEZA Outstanding Environmental Performers Award
- 2008 Don Emilio Abello Energy Efficiency Award
- ISO 14001:2004 - AJA
- ISO 9001:2008 - AJA
- OHSAS 18001:2007 – AJA

### **Environmental Programs/Practices:**

- Installation of Mini Silencer at the Steam Header
- Water Conservation Program
- Energy Conservation Program
- Greening Program

### **Community Social Responsibility Programs:**

- Eastern Visayas SWM Summit
- Tree Planting Activities
- Garbage Truck Donation
- Medical Mission

## **PILIPINAS SHELL PETROLEUM CORP. TACLOBAN TERMINAL (Region 8)**

**Nature of Business:** Power Plant Industry

**Site Address:** Gov. Jaro Drive Rawis, Barangay Anibong, Tacloban, Leyte

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Spill Prevention Program

### **Awards/Recognitions/Certification:**

- ARROWS Audit for and Award
- Recognition from Eastern Visayas – Regional Disaster Coordinating Council
- Safety Awards from Shell Companies

### **Community Social Responsibility:**

- River/Coastal Clean-up
- Scholarship Programs
- Livelihood Programs/Business
- Educational Training/Seminars
- Tree Planting and Road Clean-up

## **ENERGY DEVELOPMENT CORPORATION TONGONAN GEOTHERMAL PLANT (Region 8)**

**Nature of Business:** Geothermal Power Plant

**Site Address:** Tongonan, Ormoc City, Leyte

### **Awards/Recognition/Certification:**

- DENR Official Seal of Approval 2011
- ISO/IEC 17025:2005 – Laboratory Certification
- Citations from EMB Region 8

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Greening Program

### **Community Social Responsibility Programs**

- Linis Estero Program – Mahiao-Bao River
- BINHI - Tree Planting/Reforestation Program
- Livelihood Programs for Community
- Watershed Management – Binahaan Watershed

## **NESTLE PHILIPPINES, INC.** **CAGAYAN DISTRIBUTION CENTER (Region 10)**

**Nature of Business:** Food Distribution

**Site Address:** Purok 4, Brgy. Casonglot, Tagoloan, Misamis Oriental

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program

### **Awards/Recognitions/Certification:**

- ISO 14001:2004
- OHSAS 18001:2007

### **Community Social Responsibility:**

- Tree Planting
- Transport Care
- Coastal Clean-Up
- Water Education Program

## **STEAG STATE POWER, INC. MISAMIS ORIENTAL PLANT (Region 10)**

**Nature of Business:** Power Plant Industry

**Site Address:** Balacanas, Villanueva, Misamis Oriental

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Air dust minimization/suppression program
- Greening Program

### **Awards/Recognitions/Certification:**

- Recognition from EMB-EIA for MMT Reporting
- Recognition/Citation from LGUs and EMB Regional Office
- Safety Award from DOLE-BWC

### **Community Social Responsibility:**

- Mapawa Reforestation Project
- Socia Empowerment through Education
- Books, Supplies, Chair and ETV Donation
- School Building Construction
- Tagoloan and Villanueva Forestry Project
- Rural Electrification
- Community Health and Sanitation Program

## **HOLCIM PHILIPPINES, INC. LUGAIT PLANT (Region 10)**

**Nature of Business:** Cement Plant Industry

**Site Address:** Lugait, Misamis Oriental

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Air dust minimization/suppression program
- Greening Program

### **Awards/Recognitions/Certification:**

- PMEIA Awardee from 2006 to present
- Recognition/Citation from LGUs and EMB Regional Office
- Best Nursery Award
- Best Mining Forest Award
- ISO 14001:2004
- ISO 9001:2000
- OHSAS 18001:1998

### **Community Social Responsibility:**

- Livelihood Programs
- Education and Scholarship Assistance
- Medical and Dental Programs
- Infrastructure Projects
- Galing Mason Program
- Tree Planting and Coastal Clean-up Programs

## **ABOITIZ POWER – HEDCOR SIBULAN, INC. (Region 11)**

**Nature of Business:** Power Plant Industry

**Site Address:** Ladislawa Avenue, Buhangin, Davao City, Davao Del Sur

### **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Greening Program

### **Awards/Recognitions/Certification:**

- Registered CDM Project

### **Community Social Responsibility:**

- Riverbank Stabilization
- Agro-forestry
- Reforestation
- Road rehabilitation and Tree Planting
- Eco-Market Day
- Adopt-a-river

# **ENERGY DEVELOPMENT CORPORATION KIDAPAWAN GEOTHERMAL POWER PLANT (Region 12)**

**Nature of Business:** Power Plant Industry

**Site Address:** Barangay Ilomaris, Kidapawan City, North Cotabato

## **Environmental Programs/Practices:**

- Solid Waste Management Plan
- Water Conservation Program
- Energy Conservation Program
- Greening Program

## **Awards/Recognitions/Certification:**

- 2011 Outstanding Environmental Partner Award from DENR XII
- Gold Safety Award for Safe Manhours
- 2011 Plaque of Recognition from EMB 12

## **Community Social Responsibility:**

- Watershed Management Program
- Binhi Program
- HELEN: Health, Education, Livelihood and ENvironment

# Today's Industries: Making the Change, Making the Solution

## **ADOPT A WATER BODY—Be a part of it.**

Numerous water bodies nationwide have reached a deteriorated condition. Most of them have become stagnant due to massive amounts of solid wastes, silts and other debris. The current condition of our water bodies has been a threat for years to the health and safety of the communities living along them. The occurrence of diseases like Dengue, Diarrhea, Cholera, Dysentery, acute gastro-enteritis, soil transmitted helminthiasis, etc. remains to affect the residents especially the children.

The **Adopt a Water Body Project** is a collaborative program between and among the DENR, the Community, Local Government Units, Donor-Partner, and other government agencies.

Specifically, the program aims to:

- remove wastes, debris and silt from polluted water bodies
- mobilize nearby communities in clean up drives and enlist their active participation in implementing and preparing plans to sustain their efforts
- reduce incidence of water-related diseases and those associated with poor sanitation
- ensure unimpeded water flow, particularly during rainy season to prevent/reduce incidence of flooding
- reduce pollution loading to water bodies
- institutionalize public- private- community partnership in environmental and sanitation improvement undertakings.

## **You Can Help Make the Solution**

The **Adopt a Water Body Project** donor-partner may be a business establishment, an industry, association, a non-government organization, or any other group that volunteers to become major actors in cleaning the polluted waters. The donor-partner may accept full undertaking in the clean-up of a polluted water body or may just provide equipment or human power to do actual clean-up in partnership of the DENR, LGU and other partners.

The goal of the Program therefore is to achieve a healthier, cleaner and safer environment not only for today but for future generations. Be part of the solution. Adopt a water body today.

To adopt a water body, please contact the Environmental Management Bureau-DENR.  
Tel. No. (02) 928-4674; Fax No. (02) 920-2246

# **This is the State of our Water Bodies**

**Neglected... Ignored...**

**They are the causes of floodings  
and sources of major illnesses:  
Dengue, Diarrhea, Cholera, Dysentery, etc.**

**Would you allow your children  
to live and grow in  
this environment?**

## **ADOPT A WATER BODY**

**Be part of the solution.  
Let us clean our water bodies!  
Makibahagi sa Pagbabago!**
