

EMB Capacitates the Newly-designated PEPP Regional Focal Persons

As part of the strengthening of the implementation of the Philippine Environment Partnership Program (PEPP), the Office of the PEPP of the Environmental Management Bureau (EMB) conducted a Seminar-Workshop on Newly-designated PEPP Central and Regional Focal Personnel at the Hotel H2O in Manila held last 24-26 May 2017.

The activity is in line with the objective of the PEPP Office to capacitate its central regional focal personnel in order for them to be updated on various environmental laws implemented by the EMB to enhance their capability in compliance monitoring and site validation activities in relation to the implementation of PEPP and Industrial EcoWatch System at their respective regional offices. Attendees were given orientation on the existing policies and guidelines of the five (5) major environmental laws, procedures on adjudication of pollution cases and overview on the PEPP and Industrial EcoWatch System as well as updates on the revision of the said guidelines, including the submission and preparation of Self-Monitoring Report.
