

DENR-EMB Holds Industry Forum with MSMEs in Negros Island Region

The Philippine Environment Partnership Program (PEPP) and the Environmental Compliance Assistance Center (ECAC) of the EMB Central Office in collaboration with the EMB-Negros Island Region (NIR) conducted an Industry Forum with Micro, Small and Medium Enterprises (MSMEs) on Environmental Compliance at the Grand Regal Hotel in Bacolod City on 20 April 2017.

The main objective of this forum is to inform the MSMEs from this newly-created region which have environmental compliance issues on the need to comply with environmental regulations and the possible assistance and incentives program under the Track 2 Category of the PEPP, ECAC as well as Industrial EcoWatch System that will provide them opportunities to improve their environmental performance and eventually achieve environmental compliance.
